PROFESSIONAL EXPERIENCE

Senior CRM Manager | Instories

03/2025 - Present

International SaaS subscription app for AI content creation

- Own lifecycle communications across email, app push, and in-app stories, covering onboarding, trial, upsell, subscription renewal, and win-back journeys.
- Launched the email channel and sending infrastructure from the ground up, including sender configuration, SPF/DKIM/DMARC authentication, deliverability monitoring, and troubleshooting; scaled the channel to generate a direct +10% impact on total revenue.
- Independently developed responsive HTML/CSS email templates from scratch with AI-assisted coding, reusable content blocks, localization logic, tracking links, and cross-client rendering QA.
- Designed and implemented a subscription-renewal flow and supported product-growth experiments, including pricing tests and mobile-to-web conversion campaigns.
- Use Amplitude to analyze user behavior and funnel performance, formulate and validate communication hypotheses, and optimize trigger logic, timing, copy, and localization.
- Built a trend-focused newsletter with a stable open rate of approximately 45%.

Senior CRM Manager | Kupibilet

03/2023 - 03/2025

Online travel platform (OTA)

- Developed and independently configured triggered lifecycle scenarios across email, app push, and web push in Mindbox, including cascading fallback logic that increased repeat purchases by 18%.
- Implemented RFM segmentation and anti-churn flows in Mindbox, improving retention by 12%.
- Redesigned the subscription flow, increasing the active subscriber base by 25% and reducing the unsubscribe rate by 15%.
- Built personalized campaigns using geolocation, platform, and behavioral data; configured web-push communications and managed chatbot broadcasts and gamified promotions.

- Partnered with analysts to develop daily and weekly CRM dashboards and report performance against conversion, retention, and revenue KPIs.
